

EBA 2015 - Workplace Visits

Have your say to help shape our next claim for improved pay and conditions

The Police Association will soon be visiting work locations around the state to talk to members about our next round of enterprise bargaining negotiations to commence in 2015 (EBA 2015).

These discussions are an ideal opportunity for members to have their voice heard on what they think should be included in the next EB agreement. Much of the direct feedback we receive from members at these forums will go some way to shaping our next claim.

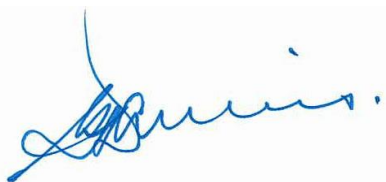

These visits - to be held across the state - will take place over two phases scheduled either side of Christmas.

The first round of visits is planned for between 30 September and mid-December (in mainly metropolitan locations), while a second round of workplace meetings will be take place in February next year.

A schedule for the second round of visits - to be held mainly in regional locations and departments - will be finalised and communicated early in the New Year.

We encourage all members to attend one of these meetings at a time and location that's most convenient.

You can view the schedule for the first round of workplace visits by clicking [HERE](#), or by visiting our website, www.tpav.org.au and following the links. For more information, contact the Association at general@tpav.org.au.
