All members must return a YES vote as soon they receive their ballot paper. A YES vote will strengthen our push to get the government to stop dithering and start negotiating on a fair pay rise for all members.

**Additional bans for better pay**

In addition to the bans currently in place, these are the new actions that we plan to impose, to force the government come to the bargaining table:

1. **BAN** on all forms of penalty notices, including those generated by the Traffic Camera Office
2. **BAN** on performing duties alone, other than in circumstances where duties are customarily performed one-up
3. **BAN** on unpaid overtime
4. **BAN** on the execution of money warrants, unless other operational considerations are present
5. **MARCH** on Parliament House

**WHEN YOU RECEIVE YOUR AEC BALLOT YOU MUST VOTE YES.**

You will soon receive your ballot from the Australian Electoral Commission (AEC). Fill it in exactly as shown below.
